

Explore the Brahmaputra through [Pandaw Cruise](#)

“THE BRAHMAPUTRA”

08 Days – 07 Nights

Expedition (UPSTREAM)

The mighty Brahmaputra River in Northern India originates high in the Himalayas before flowing through the scenic Assam Valley where UNESCO protected national parks and remote rural communities provide travelers with the most wonderful and authentic expedition. Sailing 7-nights along this vast and changeable river, those coming from elsewhere in India will feel they have been transported to another world as the riverbanks extend beyond view and occasional sandstorms make it seem like we are sailing through a desert. Visiting two national Park we sail lazily through Nameri National Park to spot a vast array of birdlife, whilst during a full day jeep safari at Kaziranga National Park, we encounter vast numbers of protected mammals including the Indian One-Horned rhino and, famously spotted on one expedition but extremely rare, the Bengal Tiger.

Day 02 **Sailing**

Spend the day sailing against the strong currents of the Brahmaputra River, making your way through the lush Assam countryside. Take advantage of the onboard activities and lectures to learn more about the region's fascinating culture and history.

Day 03 *Silghat & Village Walk*

Arrive in Silghat and disembark for a leisurely walk through a typical Assamese village, experiencing the daily life and traditions of the friendly locals. In the evening, enjoy a captivating performance of traditional Assamese folk dances like the Jhumur and Bihu.

Day 04 *Kaziranga National Park*

Embark on a thrilling jeep safari through the renowned Kaziranga National Park, a UNESCO World Heritage site. This wildlife haven boasts the world's largest population of the Indian One-Horned Rhinoceros and a high density of Royal Bengal Tigers, though sightings of these elusive creatures are rare. Keep an eye out for other fascinating wildlife like Indian elephants, bison, swamp deer, and a variety of bird species as you traverse the park's diverse landscape.

The park, which hosts two-thirds of the world's Indian rhinoceroses, is a UNESCO World Heritage Site. It is a vast expanse of tall elephant grass, marshland, and dense tropical moist broadleaf forests, criss-crossed by four major rivers, including the Brahmaputra, and the park includes numerous small bodies of water. The park is home to large breeding populations of elephants, wild water buffalo, and swamp deer. Kaziranga is recognized as an Important Bird Area by BirdLife International for conservation of avifaunal species which refers as the birds or types of birds found in a specific region

Kindly Note :

- We suggest to change money at a bank or withdraw cash from an ATM at the international airport before exiting.
- The weather in Assam can be unpredictable and can be cool of an evening. Between December and February it can be particularly cold and we advise bringing warm weather attire for sailings during these months.
- The Brahmaputra River is a fast flowing and changeable river. Navigable channels can change overnight meaning amendments to excursions, sailing times and mooring locations can occur with little warning. We will endeavour to fulfil all stated excursions or suitable replacements where possible, but a flexible approach is required for sailing on the Brahmaputra.
- Comprehensive health insurance, including cancellation insurance is strongly recommended for all Pandaw expeditions.
