DAY 02 *Mumbai Sightseeing Tour / Breakfast*

After breakfast you will be met by our expert guide at **1000 hrs** and will commence **Dabbawala tour**. The word "Dabbawala" can be interpreted as "box-carrier" or "lunchpail-man". In Marathi and Hindi, "dabba" means a box (usually a cylindrical aluminium container). More specifically, the word dabbawala implies a person in the Indian city of Mumbai who carries and delivers freshly made food from home in lunch boxes to office workers.

The concept of the dabbawala came into being when a person named Mahadeo Havaji Bachche started the lunch delivery service with about a hundred men. At the present time, Indian businessmen are the main customers for the dabbawalas, and the service often includes both cooking and delivery. Thereafter at 1345 hrs proceed to **WasherMan Laundry** firmly known as **DHOBI GHAT**. A unique feature of Mumbai, the dhobi is a traditional laundryman, who will collect your dirty linen, wash it, and return it neatly pressed to your doorstep. All for a pittance. The "laundries" are called "ghats": row upon row of concrete wash pens, each fitted with its own flogging stone. The clothes are soaked in sudsy water, thrashed on the flogging stones, then tossed into huge vats of boiling starch and hung out to dry. Next they are ironed and piled into neat bundles. Later, take the train, Straight to Churugate Stn. Afterwards, we take you to the **Mumbai Harbour** waterfront located bold arch **Gateway of India** that was built to welcome 'King George V' and 'Queen Mary' into India. Then, we will visit UNESCO world heritage site **Victoria Terminus Train Station** built in 1888 showcasing finest Victorian-Gothic architecture and famed location for film 'Slumdog Millionaire'. We also visit **Mani Bhawan** and **Hanging Gardens**. Our tour ends at the famed bazaar of British Bombay called **Crawford Market** operating since 1869 as the oldest flea market in the world. After tour return back to your hotel.

The park was set up in 1965, and a 259-sq-km core area was declared a national park in 1975. Since the late 1960s, lion numbers have increased from under 200 to over 650 (not all of these lions live within the park). The sanctuary's 37 other mammal species, most of which have also increased in numbers, include dainty chitals (spotted deer), sambars (large deer), nilgais (large antelopes), chousinghas (four-horned antelopes), chinkaras (gazelles), crocodiles and rarely seen leopards. The park is a great destination for birders, too, with more than 300 species, most of them resident.
