Khajuraho & Varanasi

05 Days / 04 Nights

Khajuraho 02 Nights – Varanasi 02 Nights

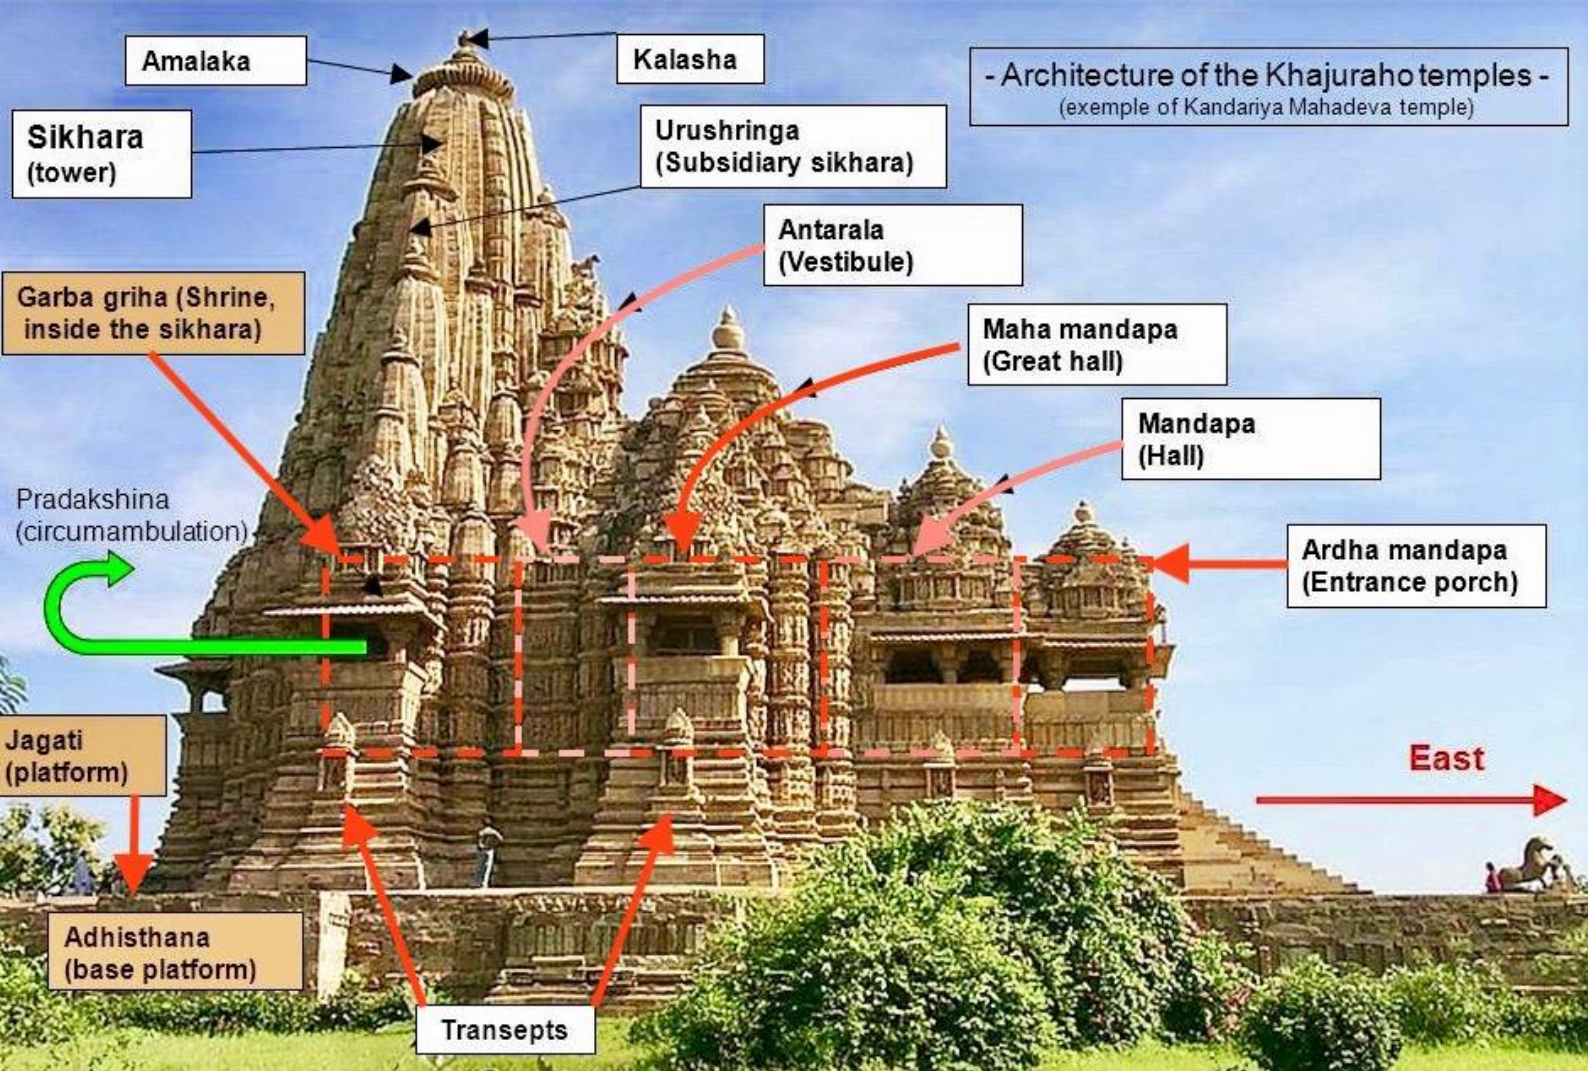

If you want proof that the Kama Sutra originated in India, Khajuraho in Central India is the place to see. Erotica abounds here with over 20 temples devoted to sexuality. Erotic or not, the level of detail is quite magnificent and depicts the scenes of mythical lions, gods, and erotic couples. Brace yourself...

Few places in India are as colourful, charismatic or spiritual as the bathing ghats lining the Ganges in Varanasi. The city of shiva is one of the holiest places in India, where Hindu pilgrims come to wash away a lifetime of sins in the Ganges or to cremate their loved ones. Varanasi has always been an auspicious place to die, since expiring here offers moksha (liberation from the cycle of birth and death). The city is the beating heart of the Hindu universe, and the Ganges is viewed as ... river of salvation.

Temples at Khajuraho were built during the Chandella dynasty, which reached its apogee between 950 and 1050. Only about 20 temples remain; they fall into three distinct groups and belong to two different religions – Hinduism and Jainism. They strike a perfect balance between architecture and sculpture.
